MEMORANDUM FOR: [ ] Special Assistant to the Director, NFAC  
SUBJECT : Analytical Support to "Arms-Control" Issues by the  
Office of Imagery Analysis, NFAC

This memorandum responds to your recent request for a listing of OIA analysts working on "Arms Control" issues and their telephone numbers. To keep the listing to a manageable size, I have provided the branch chief's name as point of contact for each topic under the major issues. Also, to possibly enhance your utilization of the listing, I am providing it as an attachment. If more detail is required or if questions arise please contact [ ] on extension [ ]
